## What we are

---

We are a non-profit corporation organized and operated for the benefit of the Egg Harbor Township school children.

## Who we are

---

The Board of Trustees is made up of forty parents, residents, educators and community leaders who volunteer their time and knowledge.

## What we do

---

We provide you with a way to support excellence in our schools on a tax-deductible basis. You can do this by making direct contributions, memorials or gifts.

We will use the contributions for scholarships and special projects over and above those normally included in the school budget.

## Who benefits

### The answer . . . Who doesn't benefit?

- ◇ *Students* receive scholarships that will help further their education. Special projects, programs and learning materials that wouldn't normally be available are provided to maximize their learning opportunities.
- ◇ *Businesses* share their resources and reap the benefits of competent, career-oriented students entering the workforce.
- ◇ *Teachers* are awarded mini grants to help them enrich classroom knowledge and to use innovative learning aids and field trips for the students.
- ◇ *Community* members gain confidence in our education system through their involvement with the schools.

## Why we're needed

---

With pressure growing to increase academic quality but not to increase taxes, we supplement existing programs and services in the schools and provide scholarships through your generous gifts.

## Why we need you

---

We need your support. As a business or individual who has a vested interest in producing a qualified, educated workforce, we welcome your interest and contributions. The members of the Board of Trustees would like to thank you for your consideration and would be happy to answer any questions you might have.
